

TRIMAS CORPORATION COOKIE NOTICE

DATE POSTED: MAY 24, 2018

OUR USE OF COOKIES

The TriMas Corporation takes privacy seriously and are committed to protecting it. TriMas Corporation and the affiliated companies (which means our subsidiaries, our ultimate holding company and its subsidiaries from time to time, as defined in section 1159 of the UK Companies Act 2006 or equivalent company laws in your country) ('we', 'our', 'us' as applicable), own and operate websites (our "Sites"). We use cookies to ensure that we give you the best experience on our Sites.

Our Sites use cookies to distinguish you from other users. This helps us to provide you with a good experience when you browse our website and also allows us to improve our Sites. Here you will find information on what cookies may be set when you visit our Sites and the purposes for which we use those cookies.

For further detailed information about the Sites, please click here to see our [Website Fair Processing Notice](#).

By continuing to use our Sites, you are agreeing to our use of cookies in the manner described in this Cookie Notice.

WHAT ARE COOKIES?

A cookie is a small data file that is placed on your browser or the hardware of your computer or other device to allow a website to recognise you as a user when you return to the website, either for the duration of your visit (using a 'session cookie') or for repeat visits (a 'persistent cookie'). Other similar files work in the same way and we use the word 'cookie' in this Cookie Notice to refer to all files that collect information in this way.

Cookies are an extremely common technology for remembering certain information about a visitor to a website. The vast majority of websites currently make use of cookies and they are commonly used for a wide range of tasks. Our Sites use cookies for the following purposes:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our Site. They include, for example, cookies that enable you to log into secure areas of our Site.
- **Analytical cookies.** They allow us to recognise and count the number of visitors and to see how visitors move around our Sites when they are using them. This helps us to improve the way our Sites work, for example, by ensuring that users are finding what they are looking for easily. Our Sites use Google Analytics cookies (<https://support.google.com/analytics/answer/6004245>), though other technologies can be used as the Sites change to provide enhanced functionality.
- **Functionality cookies.** These are used to recognise you when you return to our Site and to embed functionality from third party services. This enables us to personalise our content for you, greet you by name, and remember your preferences.
- **Advertising cookies.** These cookies record your visit to our Sites, the pages you have visited on our Sites and others and the links you have followed. We will use this information to make the advertising displayed to you more relevant to your interests. We do not share

this information with third parties, except for the parties who are collecting these in the process of hosting our Sites.

- **Third Party cookies.** We also use and work with a number of third party suppliers and partners who set or read cookies on our Sites. These can be individual or a combination of **Social media cookies/plugins** like Facebook, Instagram and Google+ buttons, and, **Embedded third party content** like, maps or videos. We do not have any control over these cookies. Whilst we provide a summary of the third party cookies used in the table below, you should also check the relevant third party's privacy policy for more information about how these cookies are used.

HOW TO CONTROL AND DELETE COOKIES

When you accessed our Sites, you were presented with a message that notified you of our use of cookies. We had to use a cookie to present you with that notice (you can see details of this cookie under 'Cookie Banner' in the table below). If you continue to use our Sites, more cookies and other tracking technologies could be placed on your computer as described in this Cookie Notice in order to enhance your user experience whilst on the Sites. By continuing to use the Sites and/or by accepting our [Terms of Use](#), you are agreeing to the use of such cookies and tracking technology.

If you wish to **restrict or block** the cookies which are set by the Sites (or, indeed, on any other site) you can do this through your browser settings. The 'Help' function within your browser should tell you how. If you are primarily concerned about third party cookies generated by advertisers, you can turn these off by going to the Your Online Choices at <http://www.youronlinechoices.com/uk/your-ad-choices> or click on the AdChoices logo that you will see in the corner of advertisements that carry behavioural targeting cookies.

Alternatively, you may wish to visit <http://www.allaboutcookies.org/> which contains comprehensive information on how to do this on a wide variety of browsers. You will also find details on how to delete cookies from your computer, as well as more general information about cookies. Please note that, as these websites are not owned or operated by us, we are not responsible for any of the content on them.

Please be aware that restricting cookies may mean that you will not be able to take full advantage of all the features or services available on these Sites.

CHANGES

We may make changes to this Cookie Notice at any time by posting a copy of them on our Sites. Any changes will be effective based on the posting date of the notice. Your continued use of our Sites after that period expires means that you agree to be bound by the modified Cookie Notice.
